CAUTION
Pay no money in advance to itinerant Directory Canvassers. We are led to mention this from the fact that we have been fraudulently taxed out publishers by short cards and by short agents collecting money in our name. Before signing an order, see that it has the name of the publisher of this City Directory printed thereon. We ask no payment until the work is delivered, and our solicitors have strict orders not to take advance payment for either advertising or subscriptions.

CAUTION
Pay no money in advance to Manual Directory Canvassers. We are led to caution this from the fact that certain parties have fraudulently using our publications as specimens, and by that means collecting money in advance. Before signing an order, see that it has the name of the publisher of this City Directory printed thereon. We ask no payment until the work is delivered, and our solicitors have strict orders not to take advance payment for either advertising or subscriptions.
